

Accept contributions through your website - PayPal

PayPal Donations makes it easy for you to collect secure donations from your website. After inserting simple HTML code, you can collect your donations via secure PayPal payment pages. It's simple, it's secure, and our Online Candidate software gives you a place to easily insert contribution code into your web site.

How to insert the PayPal donate code into your site.

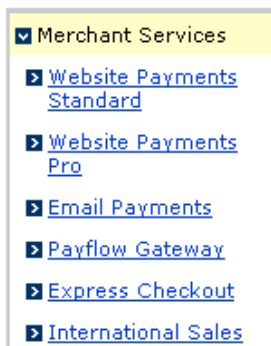

1. Create a PayPal account for your campaign.
Visit www.PayPal.com to create your account
2. Log into your account and click on the "**Merchant Services**" tab

U.S. English ▾

3. Click "**Website Payments Standard**" link

Tools for existing PayPal merchants

New? [Choose a payment solution](#) that's right for you.

4. Click “**Accept contributions**”
